Training and Mentorship

Online	iad has an all-in-one platform for real estate agents, offering onboarding, training, and a collaborative community to help agents grow and succeed.
Mentorship	A unique mentoring culture, where experienced professionals provide flexible guidance and support to help you excel in your real estate career, with your mentor available as little or as much as you need.
Mastermind Sessions	Monthly group training sessions provide agents with valuable opportunities to enhance their skills and expand their knowledge while engaging with their colleagues to learn from each other's experiences.
Training Center	Our centrally located training center in Orlando offers expert-led sessions, networking opportunities, and a space for agents to host their own classes, like first-time buyer workshops.
